## Sharpen your fly fishing and leadership skills

This one-of-a-kind program has been designed for those currently in leadership roles (whether in the business, education, or civic arena) who are interested in improving their leadership skills.

This Executive Retreat is a unique opportunity to enjoy a wonderful fly fishing experience with a small group of like-minded anglers who share the same passion for self-improvement and an appreciation of the outdoors.

The format provides an excellent opportunity to refine your leadership abilities, sharpen your fly fishing skill set, enjoy yourself, and make new friends.

There will be 4 full days of guided fly fishing on the Bighorn River with instruction-oriented Kingfisher guides.
